so this girl from athens,  
slides into the bar.  
if only she knew  
that she'd take it this far.  
like a leaf without a tree  
she lost her roots.  
tell me where they ignored you.  
in your world of fiction-  
you'll meet fact rolling like a train  
so thanks for the chat,  
thanks for the chat.  
(Chorus):  
we all do what we do  
just to get by.  
we all see what we see,  
not to ask why.  
we will look the other way,  
when you walk by.  
so don't ask us tomorrow,  
who did the crime?  
so this girl from athens  
claims she's the one  
who told all the bug guns  
to go where she's from.  
come down off your throne  
before we knock you down.  
in a pool of lies you're gonna drown,  
you're gonna drown.  
(Chorus)  
so this girl from athens  
walks in here.  
she knows she's all that  
minus her fears.  
bringing me down  
seem to be her game.  
she knows now  
who is to blame  
for all the rejections  
she will face.  
maybe one day  
she can stand in my place,  
stand in my place.

(Chorus)
