You and I  
Let's lay down our pasts tonight  
You, yes you  
Why won't you see this thing through?  
What I wouldn't change  
I think I've gone insane

I don't want  
You to be over now this now  
I can't stand the pain anymore  
You were the best of love  
What was I thinking of  
I don't know

You and I  
Can't understand reasons why  
And you, yes you  
When did your heart find a new  
I guess I could have changed  
Or should I have stayed the same?

And I don't want  
You to be over now this now  
I can't stand the pain anymore  
You were the best of love  
What was I thinking of  
I don't know

I guess I should have changed  
Could I have stayed the same

And I don't want  
You to be over now this now  
I can't stand the pain anymore  
You were the best of love  
What was I thinking of  
I don't know

No, I don't know (whoa, whoa whoa whoa)...  
Repeated)

...and I don't know.
