I don't need no one to tell me how to feel the beat,
I don't need no beat to tell me how to move my feet

Just go and do what you do, cuz' there's nothin' to
prove
I'm Just being me, Watch Me Do Me

I don't need no magazine to tell me who to be
I don't need to pose for p-p-paparazzi

Just keep the camera flashin, to try to catch this action
I'm Just being me, Watch me do me, me, me, me

Light Up The Floor
Play Me One More
Let Me Hear That
Click Clack on the High Hat let the bass vibrate
Hear the room rock
Light Up The Floor
Just Like Before
Let Me Hear That
Bass drop on the Boombox
Make your heart stop
Feel the Room Rock

I'm Doing What I Wanna Do
And I won't stop Until I can't move
I'm just being me, Watch Me Do Me
Watch Me Do Me
(Watch Me Watch Me)

I don't need no music when I wanna sing a song
I don't need what's popular to know what's right or
wrong

I'm busy burnin' the track, Not holding anything back
I'm Just Being Me, Watch Me Do Me, me, me,

Light Up The Floor
Play Me One More
Let Me Hear That
Click Clack on the High Hat Let bass vibrate

Hear the room rock
Light Up The Floor
Just Like Before
Let me hear that
Bass drop on the Boombox
Make your heart stop
STOP
Feel the Room Rock

I'm Doing What I Wanna Do
And I won't stop Until I can't move
I'm just being me, Watch Me Do Me

I'm Ready, I'm, I'm Ready To Go
Let, Let It, Let, Let, Let it explode
I'm Ready, I'm, I'm Ready To Go, Go, Go

Light Up The Floor
Play Me One More
Let Me Hear That
Click Clack on the High Hat Let the bass vibrate
Hear the room rock
Light Up The Floor
Just Like Before
Let Me Hear That
Bass drop on the Boombox
Make your heart stop
Stop (chuckle)

I'm Doing What I Wanna Do
And I won't stop Until I can't move
I'm just being me, Watch Me Do Me
(Me, Me)
Watch Me Do Me
(Me, Me)
Watch Me, Watch Me
