Yes yes you're very sexy girl
Might I add that you changed my world
Your look was black as raven if I can remember
I had a dream about you way back in december

Yes yes you're
A very sexy girl

Yes yes you're
A very sexy girl

Yes yes you're
A very sexy girl

Yes yes you're
Yes yes you're

Yes yes you're rest your clit on a baby tongue
Eyes have bled when the poison stung
The sabbath was receding feet connected with the
ceiling
And space and time concealing wonder where did she
go

Yes yes you're
A very sexy girl

Yes yes you're
A very sexy girl
Yes yes you're
A very sexy girl

Yes yes you're
Yes yes you're

Just a dream
Your skin was soft as air
You left me lyin'
Wet on the bed
I never saw your face
You covered it with hair
I hope you feel it

If you could feel

Yes yes you're
A very sexy girl

Yes yes you're
A very sexy girl

Yes yes you're very sexy girl
Might I add that you changed my world
Your look was black as raven if I can remember
I had a dream about you way back in december

Yes yes you're
A very sexy girl

Yes yes you're
A very sexy girl

Yes yes you're
A fucking sexy girl

Yes yes you're
Yes yes you're
