I'm always in control & I know what I'm doing  
I'm full ov heart & soul my brain iz always brewing  
Nothing becomez everything when some1 has givin it a  
name

Don't need a road map I always know where I'm going  
I'll end up as a king among all ov your ruinz  
There r no starz up in the sky all of them r right here on  
the ground around

Yo yo yo who's the man? I am!

What r u lookin @ you're lookin @ my mission  
The entrance 2 my world requirez your submission  
Every1 b rest-assured there will never b a day I won't  
make you give in

Yo yo yo who's the man? I am!
