Have mercy on me, O God
Because of Your unfailing love
Because of Your great compassion
You blot out my sin

And You wash me clean
From my guiltiness
Purify me
From all my sin

You wash me whiter
You wash me whiter
You wash me whiter than snow
Woah oh oh oh

You wash me whiter
You wash me whiter
You wash me whiter than snow

Create in me a clean heart
Renew a loyal spirit within me
Don't hide Your face
Don't hide Your face from me

Restore to me the joy of Your salvation
And make me willing to obey Your Word
You're the God who saves

You wash me whiter
You wash me whiter
You wash me whiter than snow
Woah oh oh oh!

You wash me whiter
You wash me whiter
You wash me whiter than snow

Woah oh oh oh wo oh
Woah oh oh oh wo oh
Woah oh oh oh wo oh

You have covered me

You have covered me
You have covered me, Lord
You have covered me

You have covered me, yeah
You've covered me, yeah
You've covered me, yeah
You've covered me, yeah

You wash me whiter
You wash me whiter
You wash me whiter than snow
Woah oh oh oh!

You wash me whiter
You wash me whiter
You wash me whiter than snow
Woah oh oh oh!

You wash me whiter
You wash me whiter
You wash me whiter than snow

Woah oh oh oh wo oh
Woah oh oh oh wo oh
Woah oh oh oh wo oh
