Now all lovers of positive reggae music  
Could you please fasten your seat belts because we  
have lift off.

Go Pato! everybody telling me to (3x)  
Go Pato! all over America!

Go Pato! everybody telling me to (3x)  
Go Pato! all over America!

I want the whole wide world to know  
That Pato Banton is on the go.  
Just like a tree that plant by the rivers of water  
I will surely grow.  
Everyday I kneel and pray  
That Jah will guide me on my way.  
I wanna be good yes I wanna do right  
And I don't want to go astray.  
People tell me yes they do  
They say Pato Banton we love you.  
That's why I want to dedicate this song  
To everyone of you.  
To every friend and every fan  
And every radio D. J. too.  
Every reggae reporter, producer, promoter  
I'd just like to say thank you.  
And all the youth I stand and salute  
For staying loyal to the reggae roots.  
They give me the strength to push on through  
Because they tell me to...

Go Pato! everybody telling me to (3x)  
Go Pato! all over America!

Go Pato! everybody telling me to (3x)
