Home is where my heart is still beating
And I don't know when I'll see her again
And I hate to see her cry when I'm leavin'
But I'm a thousand miles away again

And she feels like Carolina
Looks like California
Shinning like those New York lights on Broadway
When she looks back I'm behind her
I'll always be there for her
She makes me feel like home's not so far away

It's hard to understand the way I'm livin'
And I know she thinks I'm never comin' home
But I miss her pretty smile
And I'm comin' home in a little while
But I'm a thousand miles away again

And she feels like Carolina
Looks like California
Shinning like those New York lights on Broadway
When she looks back I'm behind her
I'll always be there for her
She makes me feel like home's not so far away

Now matter how far I go
You know I can't stop thinkin' about her
And there's nothing like the way I feel
The way I feel when I'm beside her

She feels like Carolina
Looks like California
Shinning like those New York lights on Broadway
When she looks back I'm behind her
I'll always be there for her
She makes me feel like home's not so far away
She makes me feel like home's not so far away

She's my Carolina
She's my California
And I might be gone

I might be gone
Don't you worry
Don't you worry
Cause I'm coming on home to you
