Verse

done mash up yourself
done fuck up yau
and youÂ're still going on
done bust up yourself
done shut up yau
and youÂ're still going on
done mash up yourself
done fuck up yau
and youÂ're still going on
done bust up yourself
done shut up yau
and youÂ're still goinÂ', goinÂ', goinÂ', goinÂ' on yeah

chorus

where is love, where is love
to be found here in this time
where is love, where is love
to be found here in this time
angels fall as devils rise
you cannot live if youÂ're afraid to die
what is all this anger for
oh God, donÂ't wanna hate no more

verse

your heart start stutter
and your parts start scatter yau
and youÂ're still going on
you will end up ina di gutter
you no care Â- it no matter, no
and youÂ're still going on
your life is on the line youÂ're on
and your still going on
you want fi log out
no mek Jah pull di plug out

chorus

bridge

you are caught up
in a mad manÂ's paradise

false preachers and warlords
it's a bad man's paradise
let go off this world
so a better one can rise
you lie into my eyes
cause you don't even realise

verse

the earth done cut up, done purge, done fuck up yau
and you're still goin' on
prophets done shut up, done suffer, done look up yau
and you're still goin' on
truth done corrupt, done spit at, done mock at yau
and you're still goin' on
ruff youths done give up, tru dem can't live up yau
and you're still goin' on and on and on...

chorus

it is he who wanna see bad
that's the one who's bad
and it is she who wanna speak bad
that's the one who's bad

chorus
