Don't give up the fight no no
Everyday is good, because of being alive
-from the day I was born till the day me agooda kythat
I'll die.

in high tide and in low tide I know that Jah will always be
by my side.
he might the one that carries me through the night.
everyday he makes me open my eyes, and I will never
give up the fight.
no, and I will never give up my pride and if tomorrow I
shall die, I know that today is good because I am alive.

-chorus-

oh, mother nature, often me I disrespect you but I love
you.
Oh, father Jah Jah, many times I do not appreciate the
things were you giving me.
I walk through the valley of the shadow of death, but I
don't have no fear.
'cause I know that at the end of the day, Jah Jah will be
waiting there.

-chorus-
