A million miles and a million ways (2x)  
a million miles and a million ways to go

the road is ruff and the road is rocky  
the devil is luring he wants you to take the wrong way  
the road is long and the burden heavy  
a million men march and whole beap of them fail  
they all worship false gods from dusk untill dawn  
they kill little babies before they are born  
they want to possess our brain  
they want us to labour in their names  
they make the rules and we have to play  
can you hear the horns  
please hurry up on your way  
don't look aside we don't have no time to waste  
don't disobey when Jah call you on his way  
right will be thy and blessed be thy name

ref.

they are runnin and runnin and runnin and runnin  
but where do they run to?  
where do they run to?  
they say boy take that way  
and you'll get a big man one day  
but do i want to?  
tell me do i want to?  
they are plannin and plannin and plannin and plannin  
but where does that lead to?  
where does that lead to?  
they have no respect for Jah Jah  
neither for his creation  
bu twhere does that lead to?  
let me tell you  
ONE DAY THEY WILL CROSS THE MIGHTY BORDER  
ON THAT DAY GOD'S ARMY IS GOING TO WRECK THEIR  
TOWER  
ONE DAY LOVE AND RIGHTIOUSNESS TAKE OVER  
CHOSE YOUR WAY BUT FEAR GOD THE CREATOR  
KEEP THE FAITH IN THE ALMIGHTY RULER  
ALL QUEENS AND ALL WARRIORS KEEP THE FAITH AND  
YOU COME OVER
