(Verse1)

Hope to trust
If not you
In this world
There's no soul around
All my love
Is not enough
Don't need much
Just someone who loves me for me

(Bridge)

Don't wanna talk
Don't wanna smile
Don't wanna fail (or "fail")
Don't wanna lie
Don't wanna talk
Don't wanna smile

(Refrain)

I am WALKING ALONE
Sometimes I don't even feel like
Openin' my mailbox
[No]
And I don't even feel like
Answering my phone
No, I'm walking
I'm walking
I'm walking alone
Walking alone

(Verse 2)

I shut the world down
'Cause they don't understand
If you don't have a code
You are not a man
I am wondering
In a no-man's-land
Looking for someone who loves me for who I am
When I am up
They are around
But where are they

When I am down
When I am up
They are around
But where are they now

(Refrain)
I am WALKING ALONE
Sometimes I don't even feel like
Opening my mailbox
[No]
And I don't even feel like
Answering my phone
No, I'm walking
I'm walking
I'm walking alone
Walking alone

(Verse 3)
Feel like on the top of the mountain screaming
I just woke up, yet I'm still dreaming
Into the wild, I looked for meaning
Solitude, keeps smiling

(Refrain)
I am WALKING ALONE
Sometimes I don't even feel like
Opening my mailbox
[No]
And I don't even feel like
Answering my phone
No, I'm walking
I'm walking
I'm walking alone
Walking alone

I'm walking alone
Walking alone
Walking alone
Walking alone
