Giving away, giving away  
I've just lost my way  
Fading away, fading away  
I want him everyday

Giving away, giving away  
I just want to plea  
Moving away, moving away  
I'd hate him by the way

I'm looking for a sun where I miss you, miss you  
I'm waiting for you and I need you day by day

It's a love, a love, a love affair  
Love, love, love, love  
It's a love, a love, a love affair  
Love, love, love, love  
It's a love, a love, a love affair  
Love, love, love, love  
It's a love, a love, a love affair

Giving away, giving away  
I could even plea  
Smoking away, smoking away  
Get out of my street

Giving away, giving way  
God, now I seem to see  
Slipping away, slipping away  
Like your long holiday

Dreaming of you and your day, I love you, love you  
I'll kiss you at a beautiful arch grand palais

It's a love, a love, a love affair  
Love, love, love, love  
It's a love, a love, a love affair  
Love, love, love, love  
It's a love, a love, a love affair  
Love, love, love, love  
It's a love, a love, a love affair

I'm looking for a sun where I miss you, miss you  
I'm waiting for you and I need you day by day

It's a love, a love, a love affair  
Love, love, love, love  
It's a love, a love, a love affair  
Love, love, love, love  
It's a love, a love, a love affair  
Love, love, love, love  
It's a love, a love, a love affair
