This ain't nothing like Russian Roulette
I burned Paul with a cigarette, was a cynical burn
This ain't nothing like Russian Roulette
I got time and I got regret and I'll sink alone

Now give me the photograph
Paul came round took a look at my car
Paul's in the ground coz he took it too far
Now give me the photograph
Hate don't work alone, it's easy for you just to ask me
to let it go

Ain't nothing like Russian Roulette,
You live you life with a safety net then you sink alone
This ain't nothing like Russian Roulette, got my shot
lined up and I think I'm all set to go

Now give me the photograph
Can't you see that you're doing, can you look at my life
Get yourself in trouble if you look at my wife
Now give me the photograph
Hate don't work alone, it's easy for you just to ask me
to let it go

I've been given a job from above and I do it for you
And I do it for love and I do it from the heart and I do it
alone
I've been given a job from above and I do it for you
And I do it for love and I do it from the heart and I do it
alone
Coz you're the only love that I've ever known

Now give me the photograph
Give me the photograph
Hate don't work alone, it's easy for you just to ask me
to let it go

Ain't nothing like Russian Roulette,
I burned Paul with a cigarette, it was a cynical burn
This ain't nothing like Russian Roulette gave Paul a
lesson he'll never forget

I've been given a job from above and I do it for you
And I do it for love and I do it from the heart and I do it
alone
I've been given a job from above and I do it for you
And I do it for love and I do it from the heart and I do it
alone
Coz you're the only love that I've ever known
Yeah I do it from the heart and I do it alone
