"How We Love"

Life has taught me this
Everyday is new
And if everything is true
All that matters when we're through is how we love
Faced with what we lack
Some things fall apart
But from the ashes new dreams start
All that matters to the heart is how we love
How we love, how we love
With the smallest act of kindness
In a word, a smile, a touch
In spite of our mistakes
Chances come again
If we lose or if we win
All that matters in the end is how we love
How we love, how we love
I will not forget your kindness
When I needed it so much
Sometimes we forget
Trying to be so strong
In this world of right and wrong
All that matters when we're gone
All that mattered all along
All we have that carries on... is how we love
