I have come from so far away  
Down the road of my own mistakes  
In the hope you can hear me pray  
Oh, Lord keep me in your reach  
How I've longed through these wasted years  
To outrun all the pain and fear  
Turned to stone from my uncried tears  
And now it's your grace I seek  
Love won't compromise  
It's a gift  
It's a sacrifice  
My soul renewed  
My heart released  
In you I'll find my peace  
Oh wondrous child of whom the angels sing  
Know my joy  
Feel my suffering  
Shining star make this love you bring  
So bright that I may believe  
That my way will not be lost  
From now on, 'til that rivers crossed  
My soul renewed  
My spirit free  
In you I'll find my peace
