Thought I built my armour piece by piece
But I never saw where it was weakest
When he walked in that door that night
I thought he was trouble, turns out I was right

Should've just walked away
Should've made a fast escape
Dropped everything, turned and ran
Put my heart in bubble wrap
And I should've listened to my friends
Or I wouldn't be in the shape I'm in
I'd just go, I wouldn't stay
Should've Walked Away

My castel walls were built so high
But they crumbled under saphire eyes
Beaten down by poisoned kisses
If it seems too good it probably is

Should've just walked away
Should've made a fast escape
Dropped everything, turned and ran
Put my heart in bubble wrap
And I should've listened to my friends
Or I wouldn't be in the shape I'm in
I'd just go, I wouldn't stay
Should've Walked Away

Saw him out just last night
Same old him, same old lies
Found the girl told her privately
What I wish someone had said to me...

Should've just walked away
Should've made a fast escape
Dropped everything, turned and ran
Put my heart in bubble wrap
And I should've listened to my friends
Or I wouldn't be in the shape I'm in
I'd just go, I wouldn't stay
Should've Walked Away
