There's a light, there's a light in the darkness  
And the black of the night cannot harm us  
We can trust not to fear for our comfort is near  
There's a light, there's a light in the darkness

It will rain it will rain in the desert  
In the cracks of the plain there's a treasure  
Like the thirst of the seed we will await we believe  
It will rain it will rain in the desert

We will fly we will fly we will let go  
To this world we will die but our hearts know  
We'll see more on that side when the door opens wide  
We will fly we will fly we will fly we will fly  
We will all go
