You decide
What you need
Then you let me know
I'll be waiting here until you call
Take your time
Till you find
Which way your heart must go
And when you decide
Let me know

Don't you worry if you see me cry
I would rather hear you say goodbye
Than to be the one you're seeing, love
If I'm not the one that you're dreaming of

You decide
What you want
I'll be waiting here
You already know how much I care
You decide
And we'll just go from there
