Knuckles white  
Clenching roses  
Feel them bite  
Didn't choose this

Depression holds me  
Can't catch my breath  
Bending, folding  
Pull me towards death  
Feel it taking  
Me to peaceful sleep  
But peace gives way to  
Pain & haunting!

[Bridge]  
Knuckles white!  
Clenching roses!  
Feel them bite!  
Didn't choose this!

[Chorus]  
Depression burns  
Eats me away as we  
Twist & turn  
To try to get free  
No hope  
Suffocating  
Digging deeper  
Haters hating  
Can't BREAK FREE!

Death & destruction  
My only comfort  
Battles lost, wars won  
As long as u get hurt  
U try to help but,  
Can't see that my need  
Is caused by the things u  
Do to stop the bleeding!

[Bridge]

[Chorus]

[Bridge]

[Chorus]

(Cant break free)  
Can't BREAK FREE!  
(I'm gone)  
(Knuckles white)  
Clenching roses  
(Feel them bite)  
(Didn't) CHOOSE THIS!
