The crime from which  
You're innocent  
The Pharisees  
The hypocrites

The guillotine  
To cut the flesh  
The noose tied tight  
To snap your neck

The creatures come  
And start to feed  
They carry you  
Away to sleep

Dead and gone  
Never to wake  
From Paradise  
Eternal fate

FOOLS!  
Don't you know?  
You can't get away  
With murder?

DEAD!  
But I'm still here  
You've created  
A martyr!

How does it feel  
To rid yourself  
Of me but put  
Yourselves through Hell?

It's true that I  
Am dead and gone  
But surely you know  
That I'm not done

My followers  
Will take my place

The tidal wave  
You can't erase

You fake your prayers  
Your souls to save  
But lies can't keep you  
From the grave

FOOLS!  
Don't you know?  
You can't get awayÂ  
With murder?

DEAD!  
But I'm still here  
You've createdÂ  
A martyr!

How can you  
Treat us this  
Way like you  
Think your are God?

Do you think that you're God?

Fools!  
Don't you know?  
You can't get awayÂ  
With murder?

Dead!  
But I'm still here  
You've createdÂ  
A martyr!
