The storm is building
Feel the rage inside me
(It's all your fault)
The words keep spilling

All my respect
Silent admiration
(Gone to dust)
All that's left is hatred

I HATE YOU!
You're killing me tonite

[Chorus:
The last words!
You said to!
Your loved ones as you
Watched them go!
(Be careful)
What you say!
It's too late but you
Didn't know!

THE LAST WORDS!
Now they're GONE!]

You're a fool
No matter what you do
(Leave me alone)
'Cause no one loves you

Such a loser
All alone
(Get away)
Because I don't know

YOU HATE ME!
You'll kill yourself tonite!

[Chorus]

THE LAST WORDS!

YOU SAID TO!
YOUR LOVED ONES AS YOU
(Watched them go)

[Chorus]
