Crawl out of bed
Like a zombie from a cemetery
Bag of bones
But it's just another bad day
Â
Put it away
You know you'll never beat me
Better run now
Cause when it starts you won't get away

Forget the rose
You can't nail shut this coffin
Losing your will
You're about to give in

A VAMPIRE'S CURSE!
A FULL BAG OF TRICKS!
EVERYTHING I NEED!
And I know I'll abuse it it!

BLOODLUST!
CAN'T TRUST!
MYSELF AROUND YOU!
But why stop myself
When there's nothing to lose?

You're mine
With just a halfhearted grin
I'll toy with your heart
Cause I'm hollow within

Nothing can stop me
I'm in for the win
But as soon as I'm done
I'll be dust in the wind

You can't stop me
With a stake to the heart
You can't kill somebody
Who's dead from the start

A VAMPIRE'S CURSE!

A FULL BAG OF TRICKS!
EVERYTHING I NEED!
And I know I'll abuse it!

BLOODLUST!
CAN'T TRUST!
MYSELF AROUND YOU!
But why stop myself?
When there's nothing to lose?

I watch you bleed
It's time to feed
(X4)

A vampire's curse
A full bag of tricks
Everything I need
And I know I'll abuse it

A VAMPIRE'S CURSE!
A FULL BAG OF TRICKS!
EVERYTHING I NEED!
And I know I'll abuse it!

BLOODLUST!
CAN'T TRUST!
MYSELF AROUND YOU!
But why stop myself?
When there's nothing to lose?
(X2)

I WATCH
YOU BLEED!
IT'S TIME
TO FEED!

IT'S TIME!
TO FEED!
(X2)
