Your words cost me a thousand tears tonite!
(I can't do anything else)
I can't tell these lines of black from white!
(Everything's turning to grey)
TURNING TO GREY!
(Somebody help)
HELP!
ME!
NOW!

Let the rain, wash away!
The suffering and pain!
The scars that remain!
Let the rain, wash away!
The suffering and pain!
The scars that remain
(In my heart)

(Guitar solo)

Nothing can remove the things you've done!
(Forgive but cannot forget)
Your words are daggers, spilling blood!
(Pour and drown you)
DROWN!
YOU!

Let the rain, wash away!
The suffering and pain!
The scars that remain!
Let the rain, wash away!
All the suffering and pain!
The scars that remain!
(In my heart)

MY!
HEART!

(Aaron guitar solo)
(Mason guitar solo)

I don't see why I should forgive you!

(FORGIVE YOU!)
When all you did was cut at me
(CUT AT ME!)
But now you're begging for my mercy
(MERCY!)
Now that I've got you
ON YOUR KNEES!
GET READY TO PAY!

LET THE RAIN!
WASH AWAY!
The suffering and pain!
The scars that remain!
Let your blood
Cover the scars
The marks that you caused!
Nothing will heal me!

NOTHING WILL HEAL ME!
