Hope you are always mine
I never would turn back the time
You are my destiny
My heart is in your hands.
I pray to god above
Please never stop this perfect love
You are the best of me
Your love can set me free

Eres mi Ángel en mi mente siempre estás.
Ángel tu amor me hace soñar.
Siento que has cambiado todo en mí.
Sólo vivo para ti Ángel.

Your heart is like my home
You'd never walk this road alone
I'll never let you down
The best is yet to come.
Love changes everything,
With you I'm living in a dream
Even when you're far away
Your love will make my day.

Eres mi Ángele mi mente siempre estás
Ángel tu amor me hace soñar
Siento que has cambiado todo en mí
Sólo vivo para ti Ángel

And when I close my eyes
I see those butterflies,
I need your smile all the time.
You light my darkest night
When you are by my side,
I need your love all the time.

I would never let you go
As long as feelings glow
I wouldn't change a thing on you.
You are always in my heart
We'll never be apart
Don't let the sun go down on me

Eres mi Ángel en mi mente siempre estás
Ángel tu amor me hace soñar.
Siento que has cambiado todo en mí.
Sólo vivo para ti Ángel.

Eres mi Ángel en mi mente siempre estás
Ángel tu amor me hace soñar.
Siento que has cambiado todo en mí.
Sólo vivo para ti Ángel.
