[DJ Bobo:] I believe in visions.

[Patty:] I believe in love.

[DJ Bobo:] I believe in magic.

[Patty & DJ Bobo:] But this is not enough.

[DJ Bobo:] I believe in freedom.

[Patty:] I believe in dreams.

[DJ Bobo:] I believe in heroes.

[Patty:] But this is not enough.

[DJ Bobo:]

I believe in faith, in knowledge I can learn.

I believe all what you give, you get returned.

And Iâ€™m afraid we place our life in other peopleâ€™s hands.

I realized on earth weâ€™re all the same, we need a chance.

[Chorus:]

[Patty & DJ Bobo:]

I believe in visions.

I believe in love.

I believe in magic,

But this is not enough.

Patty: This is not enough.

[DJ Bobo:] I believe in visions

[Patty:] I believe

[DJ Bobo:]

I believe in life thereâ€™s more than wrong or right.

I believe in colors thereâ€™s no black or white.

And you donâ€™t know what you have got until you say goodbye.

But in my dreams one day I spread my wings and I will fly.

[Chorus:]

[Patty & DJ Bobo:]

I believe in visions.

I believe in love.  
I believe in magic.

But this is not enough.  
I believe in freedom.  
I believe in dreams.

I believe in heroes, but this is not enough

[Patty:] This is not enough...

[Patty:] I believe

[DJ Bobo:]  
I believe my dream can be reality.  
I believe my time on earth is destiny.

[Patty:] ÂiUoooh! I believe

Oh I believe  
Now we are strong enough  
Oh I believe  
We're strong enough

[DJ Bobo:] I believe in visions.  
[Patty:] I believe in love.  
[DJ Bobo:] I believe in magic.

[Patty:] But this is not enough.  
[Patty:] I believe in freedom.  
[DJ Bobo:] I believe in dreams.  
[Patty:] I believe in heroes ooh!

[Patty & DJ Bobo:] But this is not enough.

We're strong enough
