Turn from the ones I love so
Stripped of what I believe in
Break my body but never my soul
I see light down the road I am traveling

I have the foundation of my home
Though not on the soil where I was born
and my memory still reminds me
one day I'm coming home

Even a brand new starting
Thankful that I am leaving
So many never made it,
to try and have a new beginning

But there is some piece inside of me
that is dying to be free
And the very thought of hope
tells me that I must plant the seed

One heart, one home
And then we'll be one family
How I earn for the day
I'll see you all again

Hand in hand we stay strong
In me you'll have a friend
Till that day, say a prayer,
I'll see you all again

I wish the world was perfect
But perfect is something we're not
We make it with what we're given
Because we are all that we've got

I have the foundation of my home
Though not on the soil where I was born
and my memory still reminds me
one day I'm coming home

Even a brand new starting

Thankful that I am leaving
So many never made it,
to try and have a new beginning

But there is some piece inside of me
that is dying to be free
And the very thought of hope
tells me that I must plan the seed

One heart, one home
And then we'll be one family
How I earn for the day
I'll see you all again

Hand in hand we stay strong
In me you'll have a friend
Till that day, say a prayer,
I'll see you all again
see you all again...

Many nights I cried
Seen your faces in my mind so painful
made the choice...make the choice
to make a change and give back love
instead of anger...instead of anger

One heart, one home (volveremos a vernos)
And then we'll be one family
How I earn for the day
I'll see you all again

Hand in hand we stay strong (volveremos a vernos)
In me you'll have a friend
Till that day, say a prayer,
I'll see you all again
One heart, one home
(volveremos a vernos)
How I earn for the day
I'll see you all again

Hand in hand we stay strong
(volveremos a vernos)
Till that day, say a prayer,
I'll see you all again

(volveremos a vernos)
How I earn for the day
I'll see you all again

(volveremos a vernos)
How I earn for the day

IÁ´ll see you all again
