Well I don't wanna stop
And I don't wanna talk
I'm just happy doing my thing
I can see it in your eyes
There's a sweet paradise
And I want to take a piece

These are the days where we don't have to fear a thing
And I don't want to let them go

I don't want to be
The one who doesn't live my life for me
I really don't care what you think of me
And I don't want to go
I don't want to be
The one who doesn't live my life for me
I really don't care what you think of me
And I don't want to go

You can call me selfish but I can't help this
I'm just happy being me
You can try to change me
But that won't faze me
You can't stop me - I'm free

These are the days where we don't have to fear a thing
And I don't want to let them go

I don't want to be
The one who doesn't live my life for me
I really don't care what you think of me
And I don't want to go
I don't want to be
The one who doesn't live my life for me
I really don't care what you think of me
And I don't want to go

I don't want to go
I don't want to go
I don't want to go
I don't want to go
I don't want to go

I don't want to go
I don't want to go woah...

I don't want to be
The one who doesn't live my life for me
I really don't care what you think of me
And I don't want to go
I don't want to be
The one who doesn't live my life for me
I really don't care what you think of me
And I don't want to go
