I will not fall
To this senseless guilt
That you've bestowed upon me
I am my own, I am the person that I want to be
You can never control me (control me)
You're such a fucking pig (fucking pig)

You thought you had me in your hands
But your grip wasn't tight enough to keep me (to keep me)
You thought you had me in your hands
But your grip wasn't tight enough to keep me (to keep me in)

You'll never have the power to (control me)
I'm just a jaded spirit
You are just a fucking fake

You thought you had me in your hands
But your grip wasn't tight enough to keep me (to keep me)
You thought you had me in your hands
But your grip wasn't tight enough to keep me (to keep me in)
