

Beyond The Void "Nothing"

Visit "[Nothing](#)" on MotoLyrics.com

There is nothing
Where I were
I've come to feel so not here

Prone in ashes
Can't bring myself to be
I've lost belief in reality

'Cause I can't be
When all I held dear,
That was holding me here
Is torn away

Anything
I dared to trust
Is falling to dust
Just leaving me
Nothing

I am nothing
With nothing left
To lose, a lifetime to regret

Hell, if I'm to lie here alone
Shattered and torn
I might as well
Go forth and unchain hell

'Cause I can't be...

We are brought down by the smallest things
The grains within we can't be without
They rest in silence we rely upon
And broken are our doom

'Cause I can't be...

The only thing
I dared to trust
Is falling to dust
Leaving me
