"Gotta Get Out"

Visit "[Gotta Get Out](#)" on MotoLyrics.com

I waited but all that came was December
I can't remember if I loved you then or if ever
But I can't wait here another day and hope for anything
to change

I gotta get out, gotta get out
I gotta get out, gotta get out
I gotta get out
Yeah!

The city's alive and shining from my window
It looks so dreamy, like we're all floating underwater
But I can't wait here another day and hope for anything
to change

I gotta get out, gotta get out
I gotta get out, gotta get out
I gotta get out
Yeah!

But I can't wait here another day and hope for anything
to change

I gotta get out, gotta get out
I gotta get out, gotta get out
I gotta get out
Yeah!
