Couples know how to fight,  
with picture perfect honesty  
and blackened cabinets,  
keep daddy's secrets  
kept through his relative  
in front of sleepy eyes  
on official rest for me  
on official brethery

Don't  
say no  
I'm on your front doorstep  
please let  
me in  
to drown in the oceans

Now  
Don't  
say no  
I'm on your front doorstep  
please let  
me in  
to drown in the oceans
