Are you a fan of heart attacks  
That rip threw your chest  
Ran threw your skin  
Your head caves in  
Crashed by the pressure caused by sinking  
To deep to swim  
Regrets will burn  
I hope they hurt  
Regrets will burn  
I hope they hurt  
Come Saturday  
You'll drive away  
And leave this all behind you  
Cash in your chips and hit the road  
I can't wait  
We'll all be better off concerned today  
Regrets will burn  
I hope they hurt  
This is where I watch a ship go down  
The skarks are circlin' round  
Fire your flares into the sky

Oh no, nobody will save you tonight

This is where I watch your ship go down

The sharks are circlin' round

Fire your flares into the sky

Oh no, nobody will save you tonight

Regrets will burn

I hope they hurt

Regrets will burn

I hope they hurt

Regrets will burn (fire your flares into the sky)

I hope they hurt (you)

Regrets will burn (fire your flares into the sky)

I hope they hurt
