Wash, Wipe, Scrub And Clean,  
Make The Kitchen Sparkle And Gleam,  
My Names Ben And My Names Small,  
We've Got The Cleanest Kitchen Of All,  
Tidy All The Bits And Bobs,  
The Things That Help Us Do Our Jobs,  
Ingredients Well Put Away,  
Ready To Use Another Day,  
Pots And Pans Will Start To Smell,  
If We Don't Wash Them Really Well,  
And Now It's Clear Lets All Smile,  
We'll Be Finished In A Little While,  
All Around Up And Down,  
We've Got The Cleanest Cafe In Town.
