Hey there lonely gir-irl, lonely gir-irl
Let me make your broken heart like new-ew
Hey there lonely gir-irl, lonely gir-irl
Don't you know this lonely boy loves you

Ever since he broke your heart you seem so lost
Each time you pass my-y way
Oh how I long to take your-our hand
And say don't cry, I'll kiss your tears a-away
Hey there lonely gir-irl, lonely gir-irl
Let me make your broken heart like new-ew
Hey there lonely gir-irl, lonely gir-irl
Don't you know this lonely boy loves you

You think that only his two lips
(You think that only his two lips)
Can kiss your lips (can kiss your lips)
And make your heart sta-and still
(And make your heartbeat stand still)
But once you're in my arms you-ou'll see
No one can kiss your lips the way I-I wi-ill
The way I-I wi-ill

Hey there lonely gir-irl, lonely gir-irl
Let me make your broken heart like new-ew

Hey there lonely gir-irl, lonely gir-irl
Don't you know this lonely boy loves you
Don't you know this lonely boy loves you... (ou-ou-ou-ou)
Loves you... (ou-ou-ou-ou)
Loves you... (ou-ou-ou-ou)
