Things I've been missing  
I've been getting to the money and I've been paying

You can... a big face rolling  
He tell you how to bullshit  
I've been getting to the money, and I've been paying

See, goons gonna be goons, sluts gonna be sluts  
Goons gonna be goons, sluts gonna be sluts  
Killers gonna keep killing, fuckers gonna get fucked

A town on how we grown  
Our city gave birth to the black male
