God damn, I took over the city
Drop meet me in the turner when broke down with
diddy
Me and bone still at it, with no budget from jimmy
It's back to the streets, I'm loading up the semi
Then it's night club, I rode up in a Bentley
Where else a grown man gonna shine and ball yeah
Fin to touch down at Charlie fine with a molly
House on my neck hoes say that I'm all that
Niggas don't wonder with the baby fall back
It taking like bitches want piling up my richer
Never Sunday, got a table full of bitches
And my boy chris William here taking all the pictures
Gold audemar on my wrist I'm shining
You know the paper only ride for us
Riding like bullet, my whole team tossing
Blow musical theme, nothing is finer

[Hook]

Real niggas got love for me
Goons with me case shit get ugly
Girls see me they rush to hug me
Fuckers don't like that
And that's why they hating on me
You know I don't give a damn
Nothing but a gangsta party with my fam
A nigga trying me unlikely
I said spread da love, that's why they hating on me

... mases, popping all the riches
Welcome to Atlanta, home of the bad black bitches
Rich broke niggas, condope niggas
White collar hustle rob or a dope niggas
Ag got the ga so fuck off
Get richer every time, rose pour the fuck up
A nigga wifed Joanne and moved the fuck up
Grow the fuck up
It's like don't make the same mistake twice baby
That's wassup
It used to be crazy to have a stripper as your girlfriend
Now a nigga rather have a stripepr than a girlfriend
Cause she go to work, she bad as fuck

She like girls now but wonder if she gonna suck
In my... lifetime,... marry a few dames and everybody
gonna get a long, shit
Cream time, take nice and... valentine for a mob and
a...

I ain't here to say they get the hold on go
Before I hear feel them stopping motor 4x4
Aviator alpinus cause I'm fly like a pilot
The love turn to hate when you a young shot caller
I'm getting to the money, ain't no middle man
Fresh to death, courtesy of middle man
2 models popping mollies like the skittles damn
Try to leave the club, squish them up in the lamb
Hot damn here we go again,
Either drop top hot bitch tell her bring a friend
You get shot till you drop lick cock like a lollipop
Step in the club you gonna deadly hear some bottles
pop
We in Atlanta where the problems don't stop
With girls who go down, courtesy of your watch
I woke up with a bad ass...
Hitting landing station strip, eating sushi, I'm gone
