(Chorus)

Who were you thinking of
When we were making love
Last night
Was it a good looking stranger or a close friend of
mine?
You didn't wanna quit
When we were into it
Last night
Who were you thinking of when we were loving last
night?

(Verse)

Who were you thinking of

When I was making love
To you
There was a smile on your face I hadn't seen in some
time
You've got more out of it
Then I put into it
Last night
Who were you thinking of when we were loving last
night?

(Chorus)

(Verse)
