Dancing Girl
Bikey feat Lia

[Rap]

Lemme tell yall this girl that I know
Everytime I see her She's dancing on the floor
Moving all around She's bouncy like a ball
She be dancing on the bar, even dances on the wall
can't slow her down if you want you can try
with wings on her back like an Angel She can fly
Keep watching She gon put you in a trance
It's the way that She move make me wanna start to
dance.

[Bridge]

I love dancing if you love dancing
Please come dance with me
I'm so happy when I'm dancing
cos it set's me free

Dancing Girl
Life of the party
Dancing Girl
Lights up the party

[Chorus]

She's a
D-D-D-D-D-Dancing Girrrrrrl
I wanna See you Dance
D-D-D-D-D-D-Dancing Girrrrrrl

[Rap]

Two step, moon walk, Ultrasonic sound
MC Hammer, MJ Dancing on the ground
Can't hold me back when I start to do the shuffle
If you can't touch me it's cos I'm dancing in a bubble
Smash up the bar then I start to make some trouble
Imma dance with the girl till her legs start to wobble
Bikey! Gimme one more chance
and Imma throw my hands up cos it's time to dance.

[Bridge]
I love dancing if you love dancing
Please come dance with me
I'm so happy when I'm dancing
cos it set's me free

Dancing Girl
Life of the party
Dancing Girl
Lights up the party

[Chorus]
She's a
D-D-D-D-D-D-Dancing Grrrrrrrl
I wanna See you Dance
D-D-D-D-D-D-Dancing Grrrrrrrl

[Bridge]
I love dancing if you love dancing
Please come dance with me
I'm so happy when I'm dancing
cos it set's me free

[Chorus]
She's a
