[Intro]

"Hey"

"Hello"

"Imma need everything done by 5 today"

"Everything what?"

"Everything. All that paperwork"

"Damn! I hate it here."

"You work for me."

"Everything. I am the Boss!"

"Everything what?"

"Imma need everything done today by 5pm"

"Work! Everything! Work!"

"Where the hell is my redbull?"

[Chorus]

We gon rock all day
Cos we ain't all work no play
We been hustling since the morning
Now we partying till late; baby this single is tight
We gon rock and dance all night
We be saying ain't no shaking
Till we blow like dynamite

[Verse 1]

I wake up every morning; and I'm stretching and I'm yawning
As I start another day; this groundhog life is boring
We gotta get our hustle; if it's snowing or rain pouring
Everything has to wait; so hold on cos money calling

What you waiting for; getting money? get some more
All the while I'm day dreaming; of me dancing on the
floor
When the clock hits 5; I'll be walking out the door
You can find me in the club; I'll be dancing till I'm sore

[Chorus]

We gon rock all day
Cos we ain't all work no play
We been hustling since the morning
Now we partying till late; baby this single is tight
We gon rock and dance all night
We be saying ain't no shaking
Till we blow like dynamite

[Verse 2]

After working hard all I wanna do is party
There is nothing bad I just wanna shake my body
And have a little drink with my girls and my buddies
I got the next round I got paid so no worries
The DJ's spinning hits; break it down play my beat
I'm pumping with my fists and I'm stomping with my
feet
Been working all week and now it's friday
Throw my problems in the air and I watch em fly away

[Chorus]

We gon rock all day
Cos we ain't all work no play
We been hustling since the morning
Now we partying till late; baby this single is tight
We gon rock and dance all night
We be saying ain't no shaking
Till we blow like dynamite

Let me do my thing
Please just let me do my thing
Cos it's 5o'clock right on the dot
And time for partying
See my boss gets on my nerves acting stupid and
absurd
Let me think have a drink and kick all this to the curb

Let me do my thing
Please just let me do my thing
Cos it's 5o'clock right on the dot
And time for partying
See my boss gets on my nerves acting stupid and
absurd

Let me think have a drink and kick all this to the curb

[Chorus]

We gon rock all day
Cos we ain't all work no play
We been hustling since the morning
Now we partying till late; baby this single is tight
We gon rock and dance all night
We be saying ain't no shaking
Till we blow like dynamite
