silence is killing me
endlessly we dance
sadly no more do we talk
it's no longer in my hands
Tonight we see our future
And it's killing me

Dance, dance because we have no time
Up til now, your heart was mine
Dance, dance because we have no time
Quicky said, my heart's not fine
And we can't fix that now
Dance, dance because we have no time
But I won't regret you

promises from yesterday
are thrown away (from you and from me)
picking up the pieces
will take more than time
it'll take a part of me (I've wasted time, now I see)

looking back I cannot see
A single regret
Days spent just you and me
Will forever live (In my heart and my soul)
You are special forever more
And that's killing me

Dance, dance because we have no time
Up til now, your heart was mine
Dance, dance because we have no time
Quicky said, my heart's not fine
And we can't fix that now
Dance, dance because we have no time
But I won't regret you

It's over
No more shoulder
To cry on
Or rely on
You've owned me
And controlled me

And that's my fault

Dance, dance because we have no time
Up til now, your heart was mine
Dance, dance because we have no time
Quicky said, my heart's not fine
And we can't fix that now
Dance, dance because we have no time
But I won't regret you

Dance, dance because we have no time
Up til now, your heart was mine
Dance, dance because we have no time
Quicky said, my heart's not fine
And we can't fix that now
Dance, dance because we have no time
But I won't regret you
No I won't regret you
