VERSE 1:

what do they all say
now that you've found
a new way to burn me down
a thousand tears
couldn't have saved us if I tried
I tried the hardest
yeah

PRE-CHORUS:

this fight of ours, it takes
so much out
everyday brings so much doubt
a thousand of you
couldn't have loved me if they tried
I tried the hardest
yeah

CHORUS:

I tried to love you
but you fell out
I'll do whatever it takes
to have you
I tried to leave you
but I went back
I'll do whatever it takes
to be with you

VERSE 2:

what do you say
about all you've done
abusing the one who loves
your beautiful smile
shouldn't have fooled me but i tried
I tried the hardest
yeah

PRE-CHORUS:

this fight of ours, it takes
so much out
everyday brings so much doubt
a thousand of you

couldn't have loved me if they tried
I tried the hardest
yeah

CHORUS:

I tried to love you
but you fell out
I'll do whatever it takes
to have you
I tried to leave you
but I went back
I'll do whatever it takes
to be with you

BRIDGE:

I tried
And fought
Begged and
I thought
You would
change for me
That's not our reality

CHORUS:

I tried to love you
but you fell out
I'll do whatever it takes
to have you
I tried to leave you
but I went back
I'll do whatever it takes
to be with you
