Swee-ee-eet dream baby
Swee-ee-eet dream baby
How long must I dream

Dream baby got me dreamin' sweet dreams the whole
day through
Dream baby got me dreamin' sweet dreams at night
time too
I love you and I'm dreamin' of you but that won't do
Dream baby make me stop my dreamin', you can make
my dreams come true

Swee-ee-eet dream baby
Swee-ee-eet dream baby
Swee-ee-eet dream baby
How long must I dream

Dream baby got me dreamin' sweet dreams the whole
day through
Dream baby got me dreamin' sweet dreams at night
time too
I love you and I'm dreamin' of you but that won't do
Dream baby make me stop my dreamin', you can make
my dreams come true
