Come on and close your eyes, close the door
You don't have to worry any more
Because I'm gonna be your baby tonight

Shed the light, shut the shade
Honey, you don't have to be afraid
Yeah because I'm gonna be your baby tonight

Oh, well, that mockingbird is gonna sing away
We're gonna forget it
That big, fat moon is gonna shine like a spoon
We're gonna let it
And you won't regret it

Kick your shoes off, do not fear
Just bring your sweet self right on over here
Yeah, because I'm gonna be your baby tonight

Oh, well, that mockingbird is gonna sing away
We're gonna forget it
That big, fat moon is gonna shine like a spoon
We're gonna let it
And you won't regret it

Kick your shoes off, do not fear
Just bring your sweet self right on over here
Yeah, because I'm gonna be your baby tonight
Yeah, because I'm gonna be your baby tonight
