Please lock me away  
And don't allow the day  
Here inside, where I hide with my loneliness  
I don't care what they say, I won't stay  
In a world without love

Birds sing out of tune  
And rain clouds hide the moon  
I'm OK, here I'll stay with my loneliness  
I don't care what they say, I won't stay  
In a world without love

So I wait, and in a while  
I will see my true love smile  
She may come, I know not when  
When she does, I'll know  
So baby until then

Please lock me away  
And don't allow the day  
Here inside, where I hide with my loneliness  
I don't care what they say, I won't stay  
In a world without love

So I wait, and in a while  
I will see my true love smile  
She may come, I know not when  
When she does, I'll know  
So baby until then

Please lock me away  
And don't allow the day  
Here inside, where I hide with my loneliness  
I don't care what they say, I won't stay  
In a world without love

I don't care what they say, I won't stay  
In a world without love
