Celebrate Youth  
When you're young  
Don't slow down before  
You feel old  
'Cause there's so much more  
To this life  
Way too beautiful to ignore

So go out  
On the street and dance  
Find a girl  
Maybe just romance  
Maybe love  
Maybe just another thrill  
But sure we will

Chorus:  
Celebrate youth  
While we feel young  
And make it last forever  
Dance on the streets and to this song  
Celebrate youth while you feel young

When you think  
That you've seen it all  
Go and try  
The impossible  
Loose your mind  
And find out what lies behind  
And you'll see  
There's never enough time

Chorus (2x)

No we won't stop to celebrate  
Won't stop to celebrate  
We won't

No we won't stop to celebrate  
Won't stop to celebrate  
So come on let's go out tonight

Chorus (2x)

No we won't stop to celebrate  
Won't stop to celebrate  
We won't

No we won't stop to celebrate  
Won't stop to celebrate  
And we feel â€¦ young
