5 o'clock in the mornin', I'm still waitin' for you to come home
And I guess my loneliness wont leave me alone no no
I'm starrin' at my walls now and see my world in black and white
You are in my dreams your are on my mind
You're my always shinin' light
And I wish I would wake up yesterday
The day before my dreams were crept away
You're drivin' me crazy
And since you are gone I feel so lonely
You're drivin' me crazy
I know that you're the one come back to me
You're drivin' me crazy
And since you are gone I feel so lonely
You're drivin' me crazy
You drive me craa...eah....eah...
You drivin' me crazy
You drivin' me crazy
The way you always touched me and all the gloomy words you left behind
Are crawlin' on the backseat of my mind oh yeah
Yeah And I wish I would wake up yesterday
The day before my dreams were crept away
You're drivin' me crazy
And since you are gone I feel so lonely
You're drivin' me crazy
I know that you're the one come back to me
You're drivin' me crazy (i feel so lonely)
And since you are gone I feel so lonely
You're drivin' me crazy
You drive me craa...eah...eah...eah...eaazy
Come back to me (oh oh all right all right)
Come back to me
I've been so lonely tonight
And since you are gone I feel so lonely
You're drivin' me crazy
I know that you're the one come back to me
You're drivin' me crazy (i feel so lonely)
And since you are gone I feel so lonely
You're drivin me crazy (i feel so lonely)
You drive me cra...eah...eahh...

You drivin' me crazy
