Finally Free
Dream Theater
[Present]
[The Hypnotherapist:]
"You are once again surrounded by a brilliant white
light.
Allow the light to lead you away from your past and into
this lifetime.
As the light dissipates you will slowly fade back into
consciousness
remembering all you have learned. When I tell you to
open your eyes
you will return to the present, feeling peaceful and
refreshed.
Open your eyes, Nicholas."

[Past]
[The Miracle:]
Friday evening
The blood still on my hands
To think that she would leave me now
For that ungrateful man

Sole survivor
No witness to the crime
I must act fast to cover up
I think that there's still time

He'd seem hopeless and lost with this note
They'll buy into the words that I wrote

"This feeling inside me
Finally found my love, I've finally broke free
No longer torn in two
I'd take my own life before losing you"

[Victoria:]
Feeling good this Friday afternoon
I ran into Julian
Said we'd get together soon

He's always had my heart
He needs to know
I'll break free of the Miracle
It's time for him to go

This feeling inside me
Finally found my love, I've finally broke free
No longer torn in two
He'd kill his brother if he only knew

Their love renewed
They'd rendezvous
In a pathway out of view
They thought no one knew
Then came a shot out of the night

[The Miracle:]
"Open your eyes, Victoria." [Towards the end of the
shrieks]
[and gun fire during the fight.]

[The Sleeper:]
One last time
We'll lay down today
One last time
Until we fade away
One last time
We'll lay down today
One last time
We fade away

As their bodies lie still
And the ending draws near
Spirits rise through the air
All their fears disappear, it all becomes clear
A blinding light comes into view
An old soul exchanged for a new
A familiar voice comes shining through...

[Present]
[Nicholas:]
This feeling inside me
Finally found my life, I'm finally free
No longer torn in two
I learned about my life by living through you

This feeling inside me
Finally found my life, I'm finally free
No longer torn in two
Living my own life by learning from you

We'll meet again my friend someday soon...
