Something beautiful touched my soul,
something from the outside took control.
And I can wait to the end of the day,
if she comes over to take me away.
She makes me fly,
it's in her eyes

She's my girl in the moon,
an angel put a smile upon her face.
She is my girl in the moon,
in the dawn she's gone without a trace.
Ain't nobody else's girl,
no one can tear us apart.
How I wish I carry her
forever in my heart.

On my own I watched the stars tonight
I'm going for her until it hurts inside
I hope she comes at the end of the day.
She unforced me to take me away.
She makes me cry.
It's in her eyes.

She's my girl in the moon,
an angel put a smile upon her face.
She is my girl in the moon,
in the dawn she's gone without a trace.
Ain't nobody else's girl,
no one can tear us apart.
How I wish I carry her
forever in my heart.

[Instrumental]

She's my girl in the moon,
an angel put a smile upon her face.
She is my girl in the moon,
in the dawn she's gone without a trace.
Ain't nobody else's girl
no one can tear us apart.
How I wish I carry her

forever in my heart.
Forever in my heart.
