Shes like the wind, through my dream
She rides the night, next to me
She leads me through moonlight
Only to burn me with the sun
Shes taking my heart
But she doesnt't know what she's done
I feel her breath on my face
Her body close to me
I can't look in her eyes
Shes out of my league
Just a fool to believe I have anything she needs
Shes like the wind
I look in the mirror and all I see
Is the young old man with only a dream
And Im just fooling myselfthat she stops the pain
Living without her I go insane
I feel her breath in my face
Her body close to me
I can't look in her eyes
Shes out of my league
Just a fool to believe I have anything she needs
Shes like the wind
I feel your breath on my face
Your body close to me
I can't look in your eyes
Youre out of my league
Just a foolto believe
Shes like the wind [repeat 5 times]
Just a fool
Shes like the wind
